

The Skillman Foundation Presents

# GOOD STUFF

for kids & families

## Let's Build a Place to Play Calling All Volunteers!

Hey kids, good news!  
There is a new  
neighborhood playground  
coming to the Southwest  
community.

It's Lafayette Park. ♦ Ask your parents if they are busy on Oct. 1 or Oct. 3. ♦ If not, this would be a wonderful time to spend together rolling up your sleeves and digging in for a wonderful cause. ♦ Let your parents know that it would be cool if there were more safe, sound playgrounds in town.

Here is what  
**Neighborhood  
Centers** needs and  
how you can get  
involved:

**Neighborhood Centers Inc.** saw a need – rebuilding Lafayette Park. ♦ They got a national partner – **KaBOOM!**, who got us a national sponsor – **Oscar Meyers' Lunchables**. ♦ Other partners will help them complete the project, but they are putting in the playscape on **October 1 and 3**. ♦ Other features will follow.

Volunteers will actually build the park's main feature: a playscape.

- Twelve volunteers to spot and dig footer holes on Oct. 1 from 8 a.m. to 1:30 p.m.
- 150 volunteers on Oct. 3 to assemble playscape, tables and safety surface from 8 a.m. to 1:30 p.m.
- Disc jockey and support staff for Oct. 3 event.

- Please confirm your participation with **Jacqueline Villarreal** or **Dennis Nordmoe**, Executive Director, **Neighborhood Centers Inc.** at 313.841.4447. ♦ NCI also developed **All Saints Neighborhood Center and Park**. ♦ Their e-mail address is [NCINC@aol.com](mailto:NCINC@aol.com).

Volunteer your time for children who deserve it!
