

Publicizing Your Grant

Press Releases

Please submit drafts of press releases for review before distributing. Send to Natalie Fotias at nfotias@skillman.org.

If you issue a press release, please include this boilerplate language for The Skillman Foundation:

A voice for children since 1960, The Skillman Foundation is a private philanthropy that serves as a fierce champion of Detroit children. The Foundation works to strengthen educational opportunities and ensure a lifetime of economic well-being for Detroit youth by investing in K-12 public education, afterschool system building, and college and career pathways.
